

Business Insights & Marketing Recommendations

Full Findings Report

Module 08 | Customer Personality Analysis Project

Customer Personas (Task 2)

Segment	Income	Spending	Frequency	Top Product	Campaign Resp.	Channel	Deal Dep.	Risk	CLV (3yr)
High-Value	High	\$1,430	20.5	Wines	35.0%	Store	6.0%	Medium	\$4,290
Premium/Loyal	High	\$814	21.8	Wines	10.0%	Store	16.0%	Low	\$2,442
Discount Seekers	Low-Med	\$131	9.4	Wines	7.0%	Store	29.0%	High	\$394
New/Developing	Low-Med	\$105	7.7	Wines	10.0%	Store	22.0%	High	\$315

Business Opportunity Analysis (Task 3)

Segment	Opportunity	Risk
High-Value Customers	Upsell premium/exclusive lines; grow share-of-wallet via loyalty tiers.	Outsized revenue impact if lost; campaign fatigue.
Premium / Loyal Buyers	Cross-sell across already-used channels; convert activity into basket value.	Under-targeted relative to engagement — missed revenue.
Discount Seekers / Budget Customers	Family-size bundles lift basket size without premium pricing.	Lowest campaign response — highest disengagement risk.
New / Developing Customers	Nurture into higher-value segments via onboarding.	May never develop into higher-value without intervention.

Marketing Strategy Design (Task 4)

Segment	Message	Tone	Offer	Channel	Timing	Frequency
High-Value	Exclusive Premium Collection access	Exclusive, VIP	Early access + loyalty perks	Email + Personal	Launches/anniversaries	Monthly
Premium/Loyal	More of what you love, everywhere	Warm, rewarding	Cross-channel loyalty points	Email + App push	Regular purchase cycle	Bi-weekly
Discount Seekers	Save more on family favorites	Practical, family	Family bundle discounts	SMS + Email	Paydays, seasonal	Bi-weekly
New/Developing	Welcome! Explore with us	Friendly, welcoming	Welcome discount + starter bundle	Email + SMS	First 30-60 days	Weekly then monthly

Product Recommendation Strategy (Task 5)

Segment	Primary	Secondary	Cross-Sell	Upsell	Bundle
High-Value	Wines	Meat	Fish	Gold/Premium tier	Wines + Meat premium bundle
Premium/Loyal	Wines	Meat	Gold	Gold/Premium tier	Wines + Meat bundle
Discount Seekers	Wines	Meat	Gold	Gold/Premium tier	Wines + Meat family bundle
New/Developing	Wines	Meat	Gold	Gold/Premium tier	Wines + Meat starter bundle

Pricing and Discount Strategy (Task 6)

Segment	Discount %	Coupon Strategy	Premium Pricing
High-Value	5-10%	Exclusive/invite-only	Strong candidate
Premium/Loyal	10-15%	Loyalty-points redeemable	Moderate opportunity

Segment	Discount %	Coupon Strategy	Premium Pricing
Discount Seekers	15-25%	Broad, easily redeemable	Avoid premium pushes
New/Developing	10-20%	First-purchase/referral	Low — build trust first

Customer Retention Strategy (Task 7)

Segment	Loyalty Rewards	Support Priority	Referral Incentive
High-Value	VIP tier, exclusive perks	Highest / dedicated	High-value cash/credit bonus
Premium/Loyal	Points-based, cross-channel	High priority	Moderate referral bonus
Discount Seekers	Punch-card cumulative discounts	Standard priority	Family/friend discount
New/Developing	Onboarding rewards (first 3 orders)	Standard + extra guidance	New-customer-friendly incentive

Customer Reactivation Strategy (Task 8)

Segment	Needing Reactivation	Win-Back Offer	Timeline
High-Value Customers	126 (25.5%)	Exclusive comeback offer + personal outreach	Immediate (within 7 days)
Premium / Loyal Buyers	145 (22.7%)	Loyalty-points bonus to resume purchasing	Within 14 days
Discount Seekers / Budget	119 (27.9%)	Deep discount/bundle deal	Within 30 days, seasonal tie-in
New / Developing Customers	186 (27.5%)	Simplified welcome-back discount + education	Within 30-45 days

Campaign Action Plan (Task 9)

Campaign	Target Segment	Objective	Channel	Budget	KPI
VIP Premium Rewards	High-Value	Increase loyalty & wallet share	Email + Personal	High	Repeat Purchase Rate
Cross-Channel Loyalty Boost	Premium/Loyal	Increase basket value	Email + App push	Medium-High	Average Order Value
Family Value Bundles	Discount Seekers	Increase engagement	SMS + Email	Medium	Campaign Acceptance Rate
Welcome & Onboarding Series	New/Developing	Build engagement & spend	Email + SMS	Medium	30/60/90-day Retention

Marketing Strategy Matrix (Task 10)

The full consolidated matrix (Segment, Message, Channel, Product, Discount, Loyalty, Cross/Upsell, Frequency, Reactivation) is provided as a standalone spreadsheet: 02_Reports/10_marketing_strategy_matrix.xlsx, combining every recommendation above into a single business-ready reference table.

Summary

This report, together with the Executive Management Summary, the interactive Business Insights Dashboard, and the underlying Excel deliverables in 02_Reports/, provides a complete, actionable translation of the customer segmentation model into marketing, pricing, retention, and reactivation strategy for all four identified customer segments.
